

## MAGNIFICENT SUNSETS, LIVE MUSIC AT TAHOE LAKESHORE LODGE & SPA

*Revitalize and Rejuvenate with Summer Value Packages at Tahoe's Lakefront Resort & Spa*

**June 28, 2009** (*South Lake Tahoe, Calif.*) – The timeless appeal of a sunset over Lake Tahoe plus mellow live music and a beach picnic equals the ultimate summer unplug at Tahoe Lakeshore Lodge & Spa (<http://www.tahoelakeshorelodge.com>). 'Music on the Beach', a free concert series, returns with soothing sounds of flamenco guitars and jazz every Thursday and Sunday, July 15 through Sept. 2, as Martin and Vargas and Niall McGuinness awaken the Gypsy within.

The unique styles of Martin and Vargas paint a picture of mystery and romance that echoes from the Mediterranean with an added flavor of Bossa Nova from Brazil. Their Nouveau Flamenco guitar sounds are full of passion that stirs the soul and warms the heart (sample of Martin & Vargas music, [click here](#)).

A big city sound emanates from the horn of Niall McGuinness and his New World Jazz Project. Soul, Latin, and Afro-jazz music create a fresh voice on the scene. With an affinity for World music, New World Jazz Project keeps the spirit of creativity alive (to sample Niall McGuinness, [click here](#)).

To complement the live music on the beach, guests can unwind and decompress at the onsite [Elements Day Spa](#). The range of services includes massage therapies, reflexology, aromatherapy, facials, and skin treatments; starting at \$45 for body treatments, facials starting at \$50, and various packages that include massages and reflexology for \$125.

Ladies can leave the guys and or kids behind with the Girlfriends Getaway package that includes discounted lodging, a one-hour massage each, a bottle of wine, and \$60 dinner voucher at Blue Water Bistro.
